ONLINE REGISTRATION is REQUIRED

All general practitioners, whether they are members of AMOM, AMCSLCQ, or not affiliated with any association, must

register for training sessions via the website www.amom.net by clicking on the "Formations" tab on the homepage. If you do not yet have an online account, you will need to create one.

Since the account creation is done on the AMOM website, please ensure that you select the correct option in the dropdown menu ("Member" or "Non-member") and complete the registration form

Also, make sure to add your practice number to your profile so that we can record your attendance.

Once your account is created, you will be able to register for training sessions.

Seats are limited to 45 participants

L'Association des médecins omnipraticiens de Montréal, under the aegis of the FMOQ, recognizes 3.00 hour(s) of professional development activity as required by the professional development regulations of the CMQ.. The Code of Ethics of the Conseil québécois de développement professionnel continu des médecins (CQDPCM) must be respected (www.cqdpcm.ca).

This activity has received an educational subsidy from Novo Nordisk Canada Inc.

Participants are invited to create an account at www.fmoq.org by clicking on the « se connecter » link. An account will allow you to complete the activity evaluation at <https://evaluation.fmoq.org> as well as to download a copy of your attestation (charges may apply for health professionals who are neither members of the FMOQ nor medical residents) at <https://padpc.fmoq.org>

This activity is eligible for training allowances.
